Dear Senator Byrd:

The President asked me to acknowledge his receipt of your letter of June 23 urging him not to propose selling Saudi Arabia supplemental equipment for the F-15 aircraft previously sold.

The President appreciates your bringing your objections to such a proposal to his attention. He has asked me to share your letter with several of his advisers so that they might be aware of your concerns. A more detailed response should be forthcoming.

Sincerely,

Frank Moore
Assistant to the President
for Congressional Liaison

The Honorable Robert C. Byrd
United States Senate
